Parents' Evening

Thank you for attending the meetings this week. At the meeting you should have received a questionnaire to help support us as a school to improve our service. We have already received some lovely positive comments, which staff really appreciate. We will also be looking at the areas you have suggested we can improve. If you would like a questionnaire to complete then please ask in class or at the main office. I will also add one to the homepage of the website for you to print. We will let you know the results of the questionnaire and give feedback during the Summer term. Thank you again for your comments.
